# FAQ

## How do I become a member?

If you live, work or volunteer in Delta, you are already a member! You need to register with us to activate your membership, which will give you voting rights at general membership meetings.

## How much is membership?

Membership is free, however, please consider making a donation towards our operating costs for workshops, forums, community meetings, networking events, focus groups and the like. Further, our workshops and forums may be user-pay to cover the operating costs. If you have a specialized skill that you are willing to share, let us know!

## I'm busy with my own society. If I join, do I have to attend monthly meetings?

No. Only Executive board members will meet monthly – more often if necessary. Our Advisory Committee will meet several times per year. We may establish other committees and work groups but none are planned at present. We will be organizing workshops, forums, community meetings, networking events and focus groups throughout the year. Sign up as your interest and time permit! Tell us what would interest you most!

## How do I find out what's going on?

Subscribing to our free eNewsletter is as easy as filling in the information on the right side of our webpage. If you are on Facebook, find our Collaborate Delta page and "Like" us to receive regular updates and notices. And be sure to follow us on Twitter as @CollaborateDel too!

## How do I get my organization listed on your webpage?

Use the Contact Us page or email information on your organization complete with a link to your website/Twitter/Facebook page to [coordinator@collaboratedelta.org](mailto:coordinator@collaboratedelta.org). We list those organizations that work to benefit Deltans in a positive, wholesome way.

## What kind of information will you share?

We will share your stories, events, and activities that our community can engage in, as well as information and research that would benefit our member organizations, etc. The items we publish on our social media platforms are intended to provide opportunities for organizations and individuals to engage with each other in a way that is enjoyable and rewarding. As a society, we reserve the right to publish only those items that fit our mission.

## I have another question ...

If you have any additional questions, please send a note to [coordinator@collaboratedelta.org](mailto:coordinator@collaboratedelta.org).

**Please help us put together our 2013 work plan by taking  
5 minutes to answer these 3 easy questions**

1. What kind of collaboration Ideas do you have that we can assist with?
2. What format would be useful to you to find out what others are doing?
3. What information would you like to have that would be of interest to you and your organization?
